

Tayyab Hassan

Certified Web Developer (React + WordPress)

Professional Goals

My goal is to become a highly skilled and experienced Full Stack Developer. I am proficient in Frontend and Backend Development (React, Node, HTML, CSS, jQuery, Ajax, API, Theme & Plugin development, PHP, Bootstrap, Javascript (JS), etc.) I am always looking for ways to expand my knowledge, looking for new opportunities and creating new ideas. I love what I do, and the people I get to meet along the way which is why I am eager to establish myself as a pro web developer..
